FY 2024 BASE REALIGNMENT AND CLOSURE DATA
ARMY OVERVIEW

The Army has successfully completed the implementation of BRAC 1988, 1991, 1993, 1995 and 2005 rounds. These BRAC rounds were previously resourced through two separate Treasury accounts. To improve the BRAC program's overall efficiency and effectiveness, Congress established a single Department of Defense Base Closure Account that became effective 26 December 2013; for fiscal year (FY) 2014. The DoD Base Closure Account serves as the sole source of funds for environmental restoration, property management and disposal, and caretaker costs at closed BRAC installations. The account also covers costs associated with supervision, inspection, overhead, engineering and design, and claims related to military construction projects undertaken before 30 September 2014. Finally, the account is available to record, adjust and liquidate obligations properly chargeable to closed DoD Base Closure Accounts.

This FY 2024 budget submission represents the costs and savings of implementing all previous BRAC rounds; and the costs to continue caretaking functions and environmental restoration at the remaining BRAC properties through FY 2023. The Army continues to cleanup properties to support property disposal as quickly as available resources allow and remains committed to protecting both human health and our environment.

I. Fiscal Year 2024:

A. MAJOR EVENTS SCHEDULE.

1. Environmental. The majority of the budget request in FY 2024 is for environmental restoration. The program focuses on protecting human health and the environment through execution of projects that result in transferring acreage and achieving goals for remedy in place/response complete (RIP/RC). In addition to achieving program goals and objectives, these projects seek to provide beneficial reuse of property, and meet legally enforceable requirements.
2. Operation & Maintenance. The Army will fund all caretaking functions at remaining BRAC properties from the consolidated DoD Base Closure Account. These functions include minimum maintenance, utilities, and security at remaining BRAC installations necessary to

protect life, safety and health until properties are conveyed.

3. Revenues from Land Sales. The Army does not expect to receive land sales or revenues to offset the FY 2024 budget request.
4. Prior Year Financing. The Army does not expect to have prior year funding to offset the FY 2024 budget request.
