MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Updated Fiscal Year (FY) 2022 Army Ground Reimbursable Rates

1. Enclosed are the updated FY 2022 Army Ground Reimbursable Rates that have been developed by the Deputy Assistant Secretary of the Army for Cost and Economics (DASA-CE) and deemed sufficient to support the Army's standard business processes. These rates were deemed necessary due to the ongoing increases in the fuel market cost for refined fuel products. We will make adjustments to the reimbursable rates as required throughout the remainder of FY2022.
2. The 2022 Ground Reimbursable Rates were developed for 74 commonly requested Army vehicles, and systems, by specific Line Item Numbers (LINs). The DASA-CE, is responsible for retrieving, analyzing, and normalizing the cost data from multiple data sources to develop the reimbursable rates. The primary goal is to establish a reimbursable rate for each vehicle per day without personnel, and each vehicle per day with personnel. The ground reimbursable rate considers costs for reparable parts, consumable parts, and Petroleum Oil and Lubricant (POL) per mile cumulating to a total daily combined rate. Additionally, rates consider vehicle depreciation per day, based on the LOGSA vehicle cost, and an estimated useful life. Finally, the personnel cost per day are calculated using the Department of Defense Personnel Reimbursable Rates. These rates will be published on the DASA-CE Cost Performance Portal June 2022
3. The updated FY 2022 Army Ground Reimbursement Rates are valid for the period of October 1, 2021, through September 30, 2022. They will also be published on the Army Financial Management and Comptroller website, <https://www.asafm.army.mil>, on the Documents & Resources tab under *Cost and Economics*. They are also available on the DASA-CE Cost & Performance Portal under *Cost Estimating Tools & Information*.
4. For any Army vehicle rates not included in the enclosure please contact DASA-CE for specific rate information. My point of contact for this review is Mr. Breon Mitchell, Chief Unit Mission Costing Division at (703) 692-7388 or breon.a.mitchell.civ@army.mil.

Stephen B. Loftus
Deputy Assistant Secretary of the Army
