MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Fiscal Year (FY) 2024 Army Fixed-Wing, and Helicopter Reimbursement Rates

1. Enclosed are the FY 2024 Army Fixed-Wing, and Helicopter Reimbursement Rates that have been developed by the Deputy Assistant Secretary of the Army for Cost and Economics (DASA-CE) and deemed sufficient to support the Army's standard business processes.
2. The rates were developed by retrieving, analyzing, and normalizing cost data from multiple data sources with the goal of establishing reimbursable rates for each aircraft in four categories (DoD customers, Other Federal Agencies, Foreign Military Sales and Public) in accordance with DoD Financial Management Regulation Volume 11A, Chapter 6, Appendices E, G, and H. The reimbursable rates considered costs for fuel, depot maintenance, contract logistics support, reparable and consumable parts, and crew salary resulting in a combined hourly rate. Personnel costs were calculated using the Department of Defense Military Personnel Composite Standard Pay and Reimbursement Rates.
3. The FY 2024 Army Fixed-Wing, and Helicopter Reimbursement Rates are valid for the period of October 1, 2023, through September 30, 2024. They will also be published on the Army Financial Management and Comptroller website, <https://www.asafm.army.mil>, on the Cost Materials Tab under Rates and Guidance.
4. For any Army aviation rates not included in the enclosure please contact us for specific rate information. My point of contact for this review is Mr. Breon Mitchell, Chief Unit Mission Costing Division at (703) 692-7388 or breon.a.mitchell.civ@army.mil.
