

Professional Development and Resources

Workforce **excellence** is key to mission success. We are dedicated to facilitating the training necessary to build and maintain a **skilled** and **talented** financial management and comptroller team.

There are many **career management and professional development opportunities and resources** available to our workforce including:

- **Syracuse University Defense Programs** (Defense Comptrollership Program, Senior Resource Manager’s Course, Army Comptroller Course, Financial Management 101, Executive Comptroller Course)
- **Army Management Staff College** (Civilian Leadership Development)
- **Senior Enterprise Talent Management (SETM)** and **Enterprise Talent Management (ETM)**.
- **Army Process Portal (APP)** training
- **U.S. Army DTS 2.5 Helpdesk** Training
- **FCNet**

For more information on **Training Resources** please visit this SharePoint page (CAC enabled):

Professional Development and Resources

The **DoD Financial Management Certification Program** establishes a framework to guide your DoD FM professional development. It **provides a consistent, disciplined approach** to ensure you have appropriate training in key areas such as DoD audit and remediation, fiscal law, and ethics. Additionally, the program **emphasizes career broadening and leadership development** as you progress through your career.
